Dear Foundation Horse Enthusiast,

Thank you very much for your interest in the Foundation Horse Registry. We believe in the Foundation bred horse and appreciate your interest in promoting and preserving these legendary bloodlines, which are truly a part of our American Heritage. Started in 1998 and growing rapidly, we are extremely proud of our registry, its members and their horses, and any suggestions for improvement are appreciated.

We are pleased to announce two new programs for our members. The first is a ride program. You can earn points toward prizes just for riding your foundation horse. Call or write to have information and forms sent by mail, or download the forms on the website. The second program is a points/ performance program for Foundation horses. The points/ performance program encourages members who compete in open and/or Foundation shows. Program participants who place in classes from these shows submit forms to have the information recorded as a performance record for their horse.

Enclosed you will find a membership benefits list, a fee schedule and applications to join the FHR and register your horse. If you have any questions, please feel free to call the above number, e-mail us or go to our web site [www.FoundationHorses.com](http://www.FoundationHorses.com).

When you are in the market to buy or sell a Foundation bred horse, our website provides the largest selection of these horses in the world, and is extremely well placed in most search engines.

Since we know most of the breeders of Foundation bred horses across this great land personally, we can always make recommendations if you are looking for particular bloodlines in your area.

If, for any reason, your horse is not eligible for registration after you have made an application, there is no charge and all monies will be returned.

Sincerely yours

Jim Averill    FHR    Office
